

The Intranet

.....A Bi-annual Newsletter of COEIT

July – December 2018-19

MESSAGE FROM PRINCIPAL DESK

It is a matter of great delight and pleasure to bring out the Newsletter. IntraNet an annual newsletter kindles the imagination of our learners. Cradled in the lap of nature on the one hand and archeological edifice on the other, swaying from serious thinking to playful inventiveness, Institute for students are brimming with a zeal for life empowering themselves with skills and creativity.

This edition of the Newsletter reports the significant activities carried out by Students, Faculty and Alumni in the areas of Teaching and Learning, Research and Development and Industry Interaction. I appreciate the efforts put in by editorial board to bring out the Newsletter.

I appreciate every student who shared the joy of participation in co-curricular and extracurricular activities along with their commitment to curriculum. That little extra we do, is the icing on the cake. 'Do more than belong – participate. Do more than care – help. Do more than believe – practice. Do more than be fair – be kind. Do more than forgive – forget. Do more than dream – work.' Just as our mother earth gives us more and more, IntraNet will enable our learners to give and get a little more of learning.

I congratulate all editorial board members unleashing the hidden potential of the students and making this magazine a chapter of college history.

Happy Reading!
