President Message

Welcome to KCES's College of Engineering and Management. We are dedicated to delivering a transformative educational experience that blends technical excellence with strong ethical values. Our institution provides a dynamic learning environment supported by experienced faculty, modern infrastructure, and industry-oriented programs. We emphasize innovation, critical thinking, and holistic development to prepare students for the challenges of a rapidly evolving world. Through academic rigor and practical exposure, we aim to nurture confident, responsible, and future-ready leaders. I invite you to be a part of our vibrant academic community and embark on a journey of growth and success.

**Pradnyavant
Hon'ble N. G. Bendale**
President KCE Society

Principal Message

Welcome to our College of Engineering and Management. Our institution is committed to fostering academic excellence through a balanced approach of theoretical knowledge and practical learning. With dedicated faculty, state-of-the-art facilities, and a student-centric environment, we support the overall development of our students. We encourage innovation, creativity, and leadership, enabling students to build strong technical and managerial competencies. Our focus is to prepare individuals who are capable of meeting industry expectations and contributing positively to society. Join us to explore opportunities, realize your potential, and shape a successful future.

Dr. Sanjay R. Sugandhi
Principal

Academic Dean Message

At KCES's College of Engineering and Management, Jalgaon, we are committed to excellence in teaching, learning, and research. Our programs are thoughtfully designed to align with industry requirements and evolving global trends. We focus on practical learning, interdisciplinary exposure, and skill development to ensure our students are well-prepared for professional challenges. With the support of experienced faculty, modern infrastructure, and industry collaborations, we create an environment that fosters innovation and growth. Our goal is to nurture competent, ethical, and future-ready professionals who can contribute effectively to society and the global workforce.

Prof. Rahul Kumar Patel
Academic Dean

Vision

To embrace innovative theories, techniques and technologies to insure success in changing World.

Mission

Leading students from ground to skies through excellence to articulate identity.
