To embrace innovative theories, techniques and technologies to insure success in changing World.

Our MISSION

Leading students from ground to skies through excellence to articulate identity.

Note: Located 500 meters from NH6 Highway, 1 km from the bus stop, 2 km from the railway station, and 7 km from the airport.

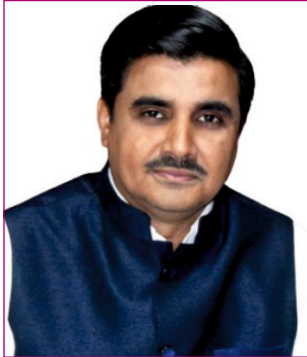

President Message

Welcome to KCES's College of Engineering and Management. We are dedicated to delivering a transformative educational experience that blends technical excellence with strong ethical values. Our institution provides a dynamic learning environment supported by experienced faculty, modern infrastructure, and industry-oriented programs. We emphasize innovation, critical thinking, and holistic development to prepare students for the challenges of a rapidly evolving world. Through academic rigor and practical exposure, we aim to nurture confident, responsible, and future-ready leaders. I invite you to be a part of our vibrant academic community and embark on a journey of growth and success.

**Pradnyavant
Hon'ble N. G. Bendale**
President KCE Society

Principal Message

Dr. Sanjay R. Sugandhi
Principal

Our institution is committed to delivering quality education with excellence in engineering and management studies. With experienced faculty and industry-oriented learning, we strive to shape skilled professionals and responsible citizens. We encourage innovation, creativity, leadership, and holistic development among our students.

At KCES, we believe in nurturing talent through knowledge, values, and practical exposure. Our aim is to prepare students to meet global challenges with confidence and competence. I warmly welcome all aspiring students to join the KCES family and build a bright and successful future.

Academic Dean Message

At KCES's College of Engineering and Management, Jalgaon, we are committed to excellence in teaching, learning, and research. Our programs are thoughtfully designed to align with industry requirements and evolving global trends. We focus on practical learning, interdisciplinary exposure, and skill development to ensure our students are well-prepared for professional challenges. With the support of experienced faculty, modern infrastructure, and industry collaborations, we create an environment that fosters innovation and growth. Our goal is to nurture competent, ethical, and future-ready professionals who can contribute effectively to society and the global workforce.

OUR APPROACH TO ACADEMIC LEARNING

At KCES's College of Engineering & Management (CoEM), Jalgaon, we believe education must go beyond traditional boundaries to prepare students for a rapidly evolving world.

Transdisciplinary Learning

We integrate knowledge across multiple disciplines, encouraging students to think holistically and solve complex real-world problems.

Future-Forward Education

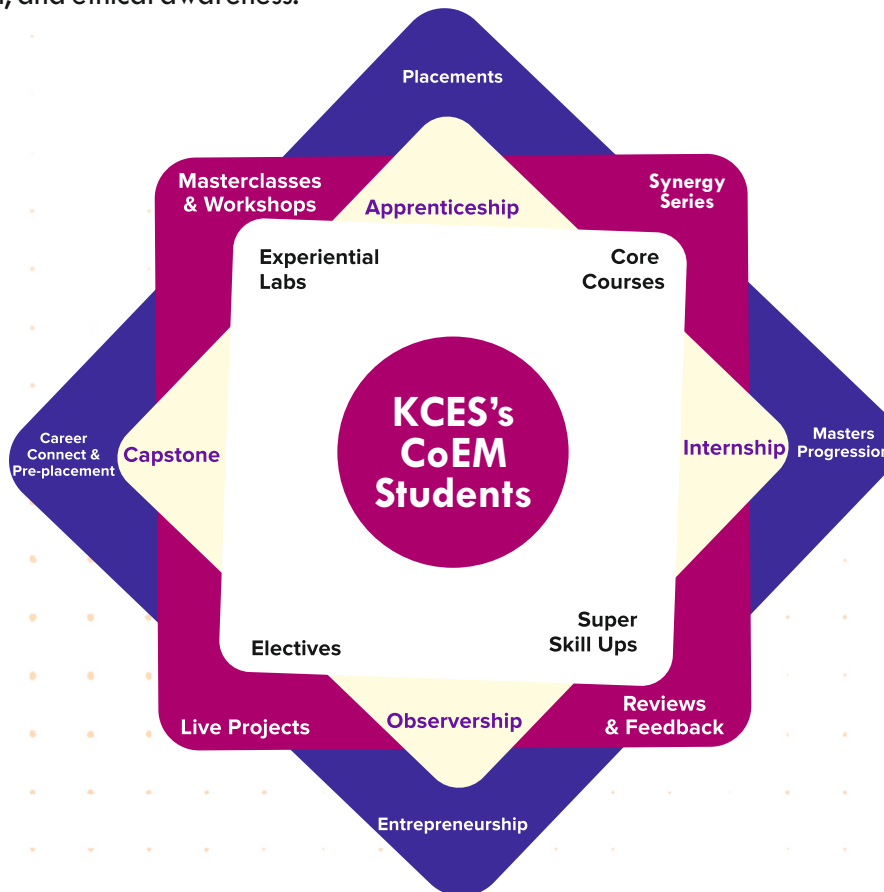

Our curriculum is designed with a forward-looking perspective, aligning with emerging trends, innovations, and global industry needs.

Skill + Technology Integration

We emphasize hands-on learning, combining technical expertise with practical skills to ensure students are industry-ready.

Liberal Learning Approach

By blending engineering with elements of liberal education, we nurture critical thinking, creativity, communication, and ethical awareness.

Learning Experience

Modular, liberal academic structure, taught methodically, practically and experientially to ensure holistic learning

Industry Integrated Learning

Interaction with industry at various levels to ensure step by step readiness

Community and Collaboration

Encouraging peer to peer learning and a strong culture of school social responsibility

Future Readiness

Ensuring our students are future proof and ready for all opportunities

INDUSTRY CONNECT

Our strong industry connect plays a vital role in shaping students into competent and career-ready professionals. At KCE College, all programs are designed to bridge the gap between academic learning and real-world industry practices through continuous interaction with industry experts and corporate organizations. This industry-oriented approach enables students to gain practical exposure, develop critical problem-solving abilities, and understand workplace expectations across diverse fields such as management, engineering, and technical education. Regular engagement with industry leaders enhances managerial, technical, communication, and leadership skills while creating valuable opportunities for networking and career growth. By integrating classroom knowledge with hands-on experience, KCE College ensures that graduates from MBA, engineering, and polytechnic streams are well-prepared to excel in dynamic professional environments and meet the evolving demands of the corporate and industrial sectors.

IN THE HEART OF JALGAON

Jalgaon is a city in north region of the Maharashtra state. The world famous heritage site Ajanta caves are very near from Jalgaon (57 km), making it as one of major international tourist hub. The city is served by several major rail lines with routes to Mumbai, Nagpur, Delhi and Surat. It lies on National Highway No. 6, connecting it to Mumbai, Surat and Kolkata. Jalgaon is also known as "City of Gold and also famous for Banana & Pulses."

THE CULTURAL WAVE

Our institution celebrates a vibrant cultural environment where creativity, diversity, and expression come alive. Through a rich blend of music, dance, drama, and art, students are encouraged to explore and showcase their talents. Annual cultural festivals provide a dynamic platform for performance and collaboration. Traditional and contemporary forms of art are equally valued, fostering respect for heritage and innovation.

Workshops, competitions, and guest performances enhance artistic learning and exposure. Students actively participate in organizing events, building leadership and teamwork skills. The campus thrives with year-round cultural activities that inspire confidence and creativity. Intercollegiate events offer opportunities to compete and connect beyond the campus. Every student is given a stage to shine and grow through artistic expression. Our cultural program shapes well-rounded individuals ready to contribute creatively to society.
