Management Development Program

on
Innovative Agri-management:
Cultivating leadership skills for tomorrow

Saturday, 5th October 2024 | 10.30 AM to 3.00 PM

About the Program

The program aims to shape the next generation of leaders in the agriculture sector by providing them with cutting-edge knowledge, leadership skills, and strategic insights essential for success in the evolving agri-business landscape. This program focuses on integrating innovative approaches with traditional agricultural practices, enabling students to drive sustainable growth and effectively manage the complexities of modern agricultural systems. The "Innovative Agri –management: Cultivating leadership skills for tomorrow "aims to cultivate well-rounded, forward-thinking leaders who can drive positive change and innovation in the agricultural sector.
