**Parents' Meet Report (2025-26)**

**Date of Event:** 1 Nov-25

**Time:** 3-5 PM

**Venue:** Room no.111 (E&C Department)

**Organized By:** Department of Electronics & Computer Engineering, KCES's College of Engineering and Management

**1. Introduction**

The Parents' Meet for the 2025-26 academic year was held by the Department of Electronics & Computer Engineering at KCES's College of Engineering and Management, Jalgaon. The meeting aimed to strengthen the partnership between parents and the department in nurturing the academic, personal, and professional growth of students.

The event was attended by 48 parents and faculty members, including 5 Faculties.

**2. Objective of the Meet**

The primary objectives of the meet were:

- To provide parents with an update on the academic and extracurricular progress of their children.
- To discuss the curriculum, learning strategies, and future academic plans.
- To foster communication between the department and parents, ensuring a collaborative approach to student development.
- To address any concerns or queries raised by parents regarding their child's progress, well-being, and the college environment.

**3. Key Highlights**

• **Welcome Address:**

The meeting began with a welcome address by Mr.R.R.Patel, Head of the Department of E&C. The head outlined the department's vision and achievements, emphasizing the importance of parent-teacher collaboration for the holistic development of students.

• **Student Progress Report:**

Each student's progress was discussed, with specific focus on academic performance, laboratory skills and participation in departmental activities. Faculty members highlighted the students' strengths and suggested areas for improvement.

• **Curriculum: Overview:**

Mrs. Sneha D. Patil, faculty member, presented an overview of the updated curriculum,

**Department of Electronics and Computer Engg.**  
**Activity Report**

including new electives, workshops, and internship opportunities. The department's initiatives in improving practical skills and industry readiness were discussed.

- **Extracurricular Activities & Student Engagement:**

A session was dedicated to showcasing the various extracurricular activities and student clubs available within the department, such as the Technical Events, and Industry Visits. The parents were encouraged to motivate their children to participate in such activities.

- **Parental Involvement and Support:**

Parents were informed about the importance of their active involvement in the academic and co-curricular activities of their children. They were encouraged to communicate with faculty members whenever needed, and to attend parent-teacher meetings and college events.

#### **4. Feedback and Discussion**

The second half of the meeting was open for discussion. Parents raised questions regarding:

- The assessment and grading system for their children.
- Support provided for students struggling academically or with mental health challenges.
- Opportunities for internships and industry collaborations.
- Concerns regarding online learning tools and platforms.

Each query was addressed by the faculty, with plans for enhancing communication and providing better support to students.

#### **5. Action Plans and Future Steps**

- **Improved Communication:**

The department committed to sending regular academic progress updates to parents through email or the college's learning management system.

- **Student Mentorship Program:**

An initiative for a structured mentorship program was proposed, where each student would be assigned a mentor who will provide personalized academic and career guidance.

- **Workshops and Seminars:**

Plans for hosting additional workshops on skills such as soft skills, resume writing, and interview preparation were discussed.

- **Parental Feedback System:**

A formal feedback system will be set up, where parents can provide their suggestions or concerns, which will be reviewed during future meetings.

---

**6. Conclusion**

The meeting concluded with a vote of thanks from Ms. Divya Surwade, expressing gratitude to the parents for their continued support and involvement. The department reassured parents that it would remain committed to the overall development of students, maintaining a strong connection with families for continuous improvement.

The event was a success, providing both the department and parents a clearer path for future collaboration, with the ultimate goal of ensuring that students not only excel academically but also develop into well-rounded professionals.
