## KCES's College of Engineering and Management, Jalgaon Activity Report

Sugandhi, gave information about the infrastructure available in the college, the courses available, the meaning of the word "Diksharambh", educational evaluation, skill development, education, etc.

Chief guest Dr. Suhas Gajare, in his speech, explained the ideals of the Rocket Boys web series and also explained the meaning of the word DEAM, which was created from the concept of AI.

Who are the five principles of tenacity, innovation, inspiration, aspiration? What can I do? What am I for? Also, the goal is speed.

Dr. Mrinalini Fadnavis asserted that success can be achieved through skill research, and that success in life is not bought only in the form of money, but through hard work.

Live life happily, serve your parents without asking for acknowledgement for the work they have done, live life from the perspective of how happily they are living every day and moment, do not forget your parents, start your own business instead of chasing after money. This is how inspiring lecturer Shri Gani Memon guided the students and parents present. Dr. Tushar Chauthani taught various skills through the concept of Passport to Fly. Shri Manoj Govidwar and his colleagues guided with management games and skill games while laughing. Prof. Sanjay Dahad

Ban gave a lecture on the topic of Code of Conduct. While Prof. Dr. Vijet Singh guided on anti-ragging Babar. Shri Nayan Swamiji told the importance of spirituality in the modern era in his fluent speech. The program was guided by science guide Prof. Dilip Bharambe Marathi Science Council Jalgaon by demonstrating various experiments and guiding the students. In this program, different experiments were presented on how the principal laws of physics and their applications in engineering are applied. On the topic of Industrial Interaction

Shri Pankaj Wankhede guided the students on how to acquire skills like success and failure, innovative technology etc. The students presented a cultural program in which Shri Ganesh Vandana, spiritual songs, drama and presentation were done. Also, the Head of the First Year Engineering Department, Prof. K.V. Patil, spoke about the first year curriculum, grading system, evaluation, and exams. The program. The Principal of the college, Dr. Sanjay Sugandhi, Professor Sund Vidyarthi, and non-teaching staff were present at the program. The program was supported by Prof. Pooja Marathe and Vijay Chaudhary.
