In collaboration (if yes, specify details)	NO		
Date/ Time and Duration	22/04/2026	No. of Participants:	41
Participants profile:	F.Y. B. Tech. E.E. and M.E. Students		
Location of activity	KCES's College of Engineering and Management, Jalgaon		
Name of Co-ordinator (S)	1. Ms.Priti A.Mahale 2. Ms.Pooja Patil		
Guest/ Experts with designation (If any)	No		
Objectives for conducting activity	<ul style="list-style-type: none">• To enhance students' programming skills in Python.• To encourage logical thinking and problem-solving abilities.• To provide a competitive platform for students to showcase their coding talent.• To promote interest in programming and technical learning among first-year students.		
Methodology	<p>The coding competition was conducted in a well-organized lab setting where participants solved Python problems from basic to intermediate level individually. Instructions were clearly explained beforehand, and the questions covered key concepts like loops, functions, and data structures.</p> <p>Evaluation was based on correctness, efficiency, and coding approach, while coordinators ensured smooth and fair conduct throughout the event.</p>		
Out Comes	<ol style="list-style-type: none">1.Students improved their understanding of Python programming concepts.2.Enhanced problem-solving and analytical thinking skills were observed among participants.3.The competition created a healthy competitive spirit and boosted confidence in coding abilities.4.Students gained practical exposure to real-time coding challenges.5.The activity motivated students to further explore programming and participate in similar technical events.		

It aimed to enhance programming skills, logical thinking, and problem-solving abilities.

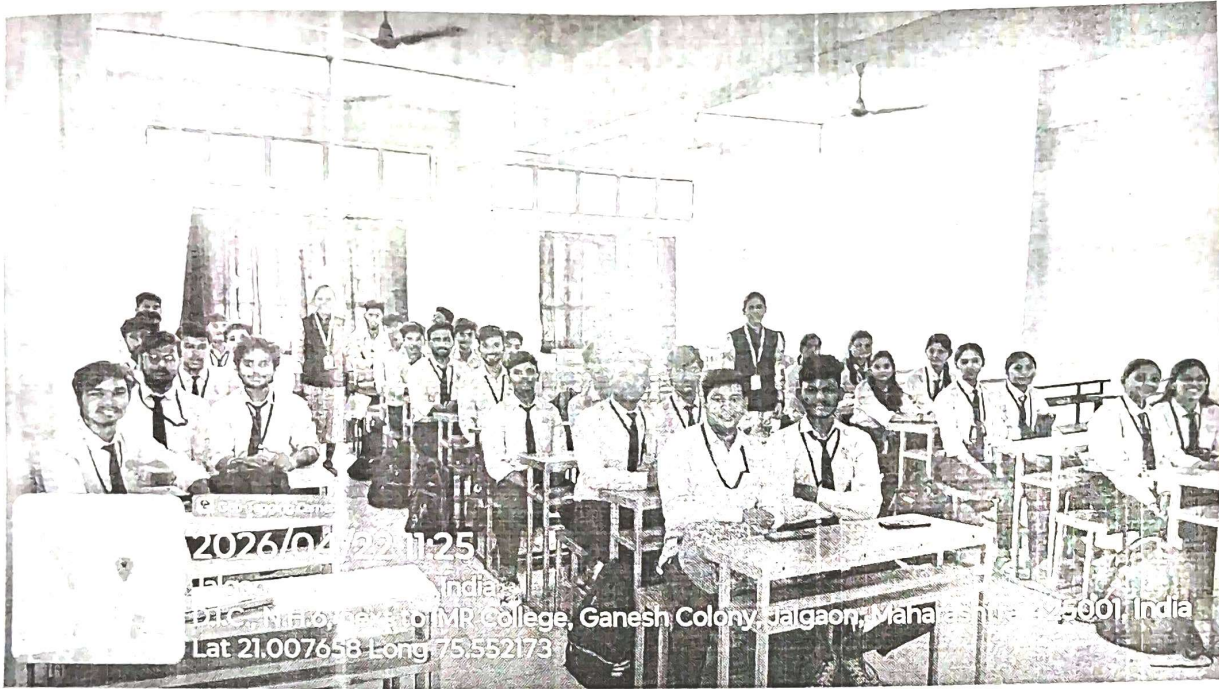

The event successfully boosted students' confidence and interest in technical learning.
