## Activity Report

<b>Name of The Activity : Activity Report of induction program for FE and SE electrical students 2017-18</b>			
<b>Date:</b>	01/08/2017 to 05/08/2017	<b>Participants profile:</b>	FE and SE Electrical Students

<b>Objective for conducting activity</b>	<ul style="list-style-type: none"> <li>➤ The graduating student must have knowledge and skills in the area of study. However, one should also have broad understanding of society and relationships.</li> <li>➤ Character needs to be nurtured as an essential quality by which they would understand and fulfil responsibility as an engineer, a citizen and a human being.</li> <li>➤ Besides the above, several meta-skills and underlying values are needed.</li> <li>➤ One will have to work closely with the newly joined students in making them feel comfortable, reduce competition and make them work for excellence, build relations between teachers and students, give a broader view of life, and build character.</li> </ul>
<b>Methodology</b>	<ul style="list-style-type: none"> <li>➤ The Induction Program is designed to make the newly joined students feel comfortable, sensitize them towards exploring their academic interests and activities, reducing competition and inspire them work for excellence, promote bonding within them, build relations between teachers and students, give a broader view of life, building character.</li> </ul>
<b>Out Come</b>	<ul style="list-style-type: none"> <li>➤ Engineering institutions were set up to generate well trained manpower in engineering with a feeling of responsibility towards oneself, one's family, and society. Since substantial percentage of incoming undergraduate students are driven by their parents and society to join engineering without understanding their own interests and talents, most students fail to link up with the goals of their own institution</li> </ul>
