Report on Plan of Action of Swachh Bharat Summer Internship Programme (05th July to 25th July 2018)

On 2nd October Government launching Swachh Bharat Mission, a massive mass movement, that seeks to create a Clean India. Cleanliness was very close to Mahatma Gandhi's heart. A clean India is the best tribute we can pay to Bapu when we celebrate his 150th birth anniversary in 2019. Mahatma Gandhi devoted his life so that India attains 'Swarajya'. Now the time has come to devote ourselves towards 'Swachchhata' (cleanliness) of our motherland.

MISSION

“A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019,” said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. The campaign aims to achieve the vision of a ‘Clean India’ by 2nd October 2019.

OBJECTIVE

Swachh Bharat abhiyan was launched by Prime Minister Narendra Modi on 2nd of October, 2014 at Rajghat, New Delhi with an aim to make India clean. Aim is to provide sanitation facilities to every family, including toilets, solid and liquid waste disposal systems, village cleanliness, and safe and adequate drinking water supply by 2nd October, 2019. It will be a befitting tribute to the Father of the Nation on his 150th birth anniversary. It is significant that the PM himself is taking very proactive role in making the campaign a success; at Rajghat he started the campaign by cleaning the street himself.

In pursuant to the vision of Swachh Bharat Abhiyan, Khandesh College Education Society's College of Engineering & Information Technology, Jalgaon has launched the special cleanliness drive and has formally constituted three nodal officers to monitor and coordinate cleanliness activities in the college. The broad plan of action will be as follows:

1. Generating mass awareness on cleanliness and hygiene amongst students and staff members by holding regular 'Sensitization Programmes' on 'Swachh Bharat Abhiyan' so as to motivate them to contribute to this Campaign in a proactive manner.

2. Activities under 'Swachh Bharat Abhiyan' will be a key component of all the community work being done by NSS volunteers of the college.
3. Students and Teachers will regularly participate in the special cleanliness drive in the college campus on continuing basis.
4. Events such as poster competitions, Quizzes, debates, painting competitions , essay writing, speeches, skits on 'Swachh Bharat' will be organized.
5. Rallies on themes connected with 'Swachh Bharat Abhiyan' in and around the school and college campus was conducted to create group awareness on such issues.
6. Visit to Asoda in Jalgaon District for cleanliness of school.
7. Admin of the Mass pledge by students and staff members to maintain cleanliness of the college campus and its surrounding areas on regular basis.
8. Constitution of the student sub-committees to conduct the regular inspection of the canteen, toilets, hostel, corridors and surrounding of college building.

Report on Activities conducted at Khandesh college of Engineering and Information Technology during Swachh Bharat Summer Internship Programme (05th July to 25th July 2018)

Swachh Bharat Mission-2018 i.e. Clean India Mission, a national level campaign, recently launched by the Government of India is a major step towards the protection of degrading environment. The objectives of the campaign include elimination of open defecation, conversion of insanitary toilets to pour flush toilets, eradication of manual scavenging and above all to bring about a behavioral change in people regarding healthy sanitation practices and to ensure public participation in achieving these objectives. Globally, India continues to be the country with highest number of people practicing open defecation. If Swachh Bharat Mission (SBM) is implemented properly with all its stakeholders taking their respective responsibilities, there is no wonder that one day India will become an open defecation free country.

As per guidelines of Swachh Bharat Summer Internship Program 2018, Khandesh College Education Society's College of Engineering & Information Technology, Jalgaon.(Computer Engineering Department) was participated in different activities regarding sanitation and health issues from 05 th July to 25 th July).
